

*Praise for Time of the Eagle*

"A wonderful vehicle for older elementary students...I highly recommend this book for purchase as a curriculum support material and as an enjoyable children's book." - William Rettig, Librarian

"Lowden skillfully weaves fact and fiction to create an engaging, authentic, heart wrenching account of the Ojibwa people's battle with the white man's disease and the courage of one young girl." - Jamie Swenson, Librarian

"Riveting from start to finish" - The Capital Times, Madison Wisconsin
